## Grant Funds

Keep Scottsbluff Gering Beautiful is pleased to announce that we have been awarded \$145,687.09 from the Nebraska Department of Environment and Energy for 2024. These grant dollars allow us to provide our annual programs and services.

Find more information on our [website](#).

## Annual Impact

Keep Scottsbluff Gering Beautiful offers proper collection, disposal, and litter pick up programs throughout the year.

In 2023 KSGB offered programs that collected and properly disposed of over 12,418 pounds of materials. Our 2023 Adopt-A-Spot Partners picked up over 2,079 pounds of litter from public roadsides and pathways. Find more information in our [Annual Impact Report](#).

## Did you know...

The Environmental Protection Agency estimates that the average American household generates 20 pounds of household hazardous waste each year. The chemicals in these materials can cause soil and groundwater contamination and generate hazardous emissions at the landfill.
